Client Testimonial Form

Please comment on yours / your child's experience with your lessons at Lanzon School of Music.

I first contacted Ben Lanzon Drum School in mid 2013 and I was immediately impressed with Ben's professionalism and approachability. He is very friendly and easy to contact. I was looking for a drum teacher to help me improve the drumming skills I already possessed and I was given Josh Ellis from the drum school, who has turned out to be a very effective teacher for me.

Please write about your teacher in your own words, what he/she does, quality of his/her service etc.

Josh is very knowledgeable about all aspects of drumming and I find his skills and enthusiasm very inspiring. I have already learned a lot from him in a relatively short time. In addition to this, he is also a very good teacher. He explains things clearly, is very patient and he encourages a high standard of playing. And if that isn't enough, he's also a very friendly person and he makes the lessons fun. :)

Please indicate if you would recommend Lanzon School of Music to others interested in learning the drums or guitar and if desired why or why not.

I would definitely recommend Lanzon Drum School to anyone who is interested in learning the drums, either as a beginner or as someone with previous experience such as myself. My experience with the school has been very positive and I am very glad that I chose Lanzon Drum School to help me with my drumming.
